**GPF CombiVari**  
“Het flexibele deurbeslag”

GPF CombiVari geeft u de mogelijkheid oneindig te combineren en te variëren met deurkrukken, schilden en rozetten. Op pagina 7 staan de afbeeldingen van de schilden en rozetten voor de diverse uitvoeringen.

GPF CombiVari is een uniek concept, waarmee u interactief op de website [www.tenhulscher.nl](http://www.tenhulscher.nl) uw keuze kunt bepalen. Ruim 135 verschillende modellen zijn te combineren!

Deze brochure is met de grootste zorg samengesteld, ondanks dit zijn wijzigingen in maat en uitvoering evenals drukfouten voorbehouden.

**“La ferrure de porte flexible” GPF CombiVari**

GPF CombiVari vous donne la possibilité de combiner à l'infini et de varier poignées de portes, plaques et rosaces. On trouvera en page 7 les illustrations des plaques et rosaces pour les réalisations diverses.

GPF CombiVari est un concept unique avec lequel vous pouvez faire votre choix de façon interactive sur le site web [www.tenhulscher.nl](http://www.tenhulscher.nl). Vous pouvez combiner plus de 135 modèles en différents !

Composée avec le plus grand soin, cette brochure est malgré tout présentée sous réserve de modifications dans les mesures et les modèles et d'erreurs à l'impression.

**GPF CombiVari**  
„Der flexible Türbeschlag“

Mit GPF CombiVari können Sie mit Türdrückern, Türschildern und Rosetten unendlich kombinieren und variieren. Auf Seite 7 finden Sie Abbildungen der Schilder und Rosetten in den verschiedenen Ausführungen.

GPF CombiVari ist ein einzigartiges Konzept, mit dem Sie auf der Webseite [www.tenhulscher.nl](http://www.tenhulscher.nl) interaktiv eine Auswahl treffen können. Mehr als 135 verschiedene Modelle lassen sich damit kombinieren!

Diese Broschüre wurde mit größter Sorgfalt zusammengestellt; Änderungen bezüglich Abmessungen und Ausführung, wie auch Druckfehler sind vorbehalten.

**GPF CombiVari**  
“The flexible door fittings”

GPF CombiVari gives you the opportunity for endless combinations and variations of door handles, finger plates and roses. Page 7 shows pictures of the finger plates and roses for the various designs.

GPF CombiVari is a unique concept which allows you to make an interactive choice via the website [www.tenhulscher.nl](http://www.tenhulscher.nl). More than 135 different models can be combined!

This brochure has been compiled with the greatest care. However, in spite of this, printing errors or changes in sizes and versions may occur.
